

Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Saturday 06 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Unsettled and windy, coastal gales Saturday night and Sunday morning.

Today:

Outbreaks of rain turning heavy and persistent through the morning accompanied by strengthening southwest winds. Rain clears to sunny spells and scattered blustery showers in the afternoon, with winds turning westerly and strengthening further. Maximum temperature 13 deg C (55 deg F).

Tonight:

Blustery showers continuing overnight, most frequent across Argyll, with occasional clear spells. Strong westerly winds with gales near the coast. Minimum temperature 6 deg C (43 deg F).

Sunday:

A few early morning showers, but mostly dry with sunny spells. Still very windy with gales around the coast and on high ground. Winds slowly easing through the afternoon. Maximum temperature 9 deg C (48 deg F).

Outlook for Monday to Wednesday:

Turning wet, windy and mild on Monday. Remaining breezy on Tuesday and Wednesday with bright or sunny spells and showers, most frequent over Argyll, temperatures nearer normal for mid-November.
